An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Claim 18 is amended as follows:

18. Authorization for this examiner's amendment was given in a telephone interview with Mr. Crawford on 10/18/07.

The following is an examiner's statement of reasons for allowance: The closest prior art of record is Kerner et al and Mei et al. Neither of these references teach or fairly suggest the incorporation of the particular wetting agents as now required by the instant claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
